1 FLIPPITY

flippity.net

From random name pickers to matching games and bingo, Flippity has a myriad of tools available for educators in different capacities to help engage their participants in conjunction with Google Sheets.

Resource: <https://youtu.be/YfHqTwoDZ-g>

Tip!

The resource noted is a YouTube video that gives examples of various tools on the Flippity platform!

Tip!

AnswerGarden's resource link can recap today's lesson in under 3 minutes!

2 ANSWER GARDEN

answergarden.ch

Much like a mind map, AnswerGarden uses live feedback from your audience to share with everyone in real time. Useful for brainstorming or immediate feedback, AnswerGarden makes sharing clear cut and easy!

Resource: https://youtu.be/DN4cG4Gu_ZY

3 CLASSROOM SCREEN

classroomscreen.com

ClassroomScreen features a digital display board that helps with classroom management and screen organization for both in person and online meetings. Various widgets allow you to maximize your screen's potential!

Resource: <https://youtu.be/pbUJ4PCcsMI>

Tip!

This video features "chapters" which allow you to scrub through the video to skip to the part you need!
